Product Images

Description

Lever on privacy backplate. Rectangular backplate. A classic scroll lever set with the traditional Georgian rope design adorning the perimeter of the backplate and along the top of the lever. A graceful and elegant combination reminiscent of a bygone era. Comes with a 10 year mechanical guarantee and is Fire door rated. Suitable for domestic use.. Privacy furniture is different from bathroom furniture as the turn mechanism engages a cam within the handle assembly locking the handle dead, where as the turn on bathroom furniture engages the deadbolt within the separate bathroom lock. Privacy furniture requires a separate mortice tubular latch not a bathroom lock. Comes with a 10 year mechanical guarantee and is Fire door rated.
